*with your help,  
we can brighten children's lives*

**ALL OF THESE CHILDREN HAVE HAD OR ARE WAITING FOR ORGAN TRANSPLANTS**

Your contribution will assist BC's transplant children and their families through some of the most difficult periods of their life long medical journeys.

The Children's Organ Transplant Society of BC (COTS) is a registered charity and the only organization of its kind in the province. We provide support to BC families who have children waiting for a transplant, or who have had a transplant.

All funds raised stay in BC to support families across the province, and with a volunteer Board, no paid staff, and minimal administrative expenses, donors can be assured that monies raised go directly to providing support to these children and their families.
